

Housing Industry Association Survey's Winners List

The names listed below are some of the growing number of recent lucky winners who were good enough to set aside a few minutes from their busy schedules to share some information on the Building, Construction and Renovation Industry.

For those of you who have participated recently, a big thank you and we hope you will continue to do so. To those of you who have not yet had a chance to contribute, we appreciate that your time is valuable but again encourage you to participate and stand a chance of winner some of our prizes.

To those of you, who have not been receiving HIA survey emails and would like to have your say and potentially win, please update your email details via www.hia.com.au or contact Kirsten Lewis at k.lewis@hia.com.au or on (02) 6245 1393.
